

*The
Delta Rifle's
Dispatch*

June 2014

The 4th Louisiana Delta Rifles came together this month at the skirmish hosted by the 44th Georgia Volunteer Infantry at Brierfield Ironworks State Park. As was to be expected, the weather was quite warm, and many a shooter nodded in agreement every time it was called out "The Range Is Hot!". Indeed it was.

The 44th Georgia folks graciously opened the shooting on Friday, which allowed for folks to get some individual shooting done before things got into full swing on Saturday. Saturday morning individual shooting resumed until around noon, when the Carbine team competition began. Our carbine team was made up of 4th LA members Steve Sheldon, Rod Harbin, and Jim Wood, and pick-ups, Don and Brad. The shooting was fast and furious, and in the end the 4th LA was able to take Second Place.

Carbine Medals and Certificates

After the Carbine match followed the Smoothbore team competition. The smoothbore team was made up of 4th LA members Rod Harbin and Bob Kelly, and pick-ups Brad and Mark. The 4th LA team was pulling second place behind the 3rd Georgia until the final round, when they managed to squeak out just a few extra hits on the sheet rock targets to snatch away First Place! Congratulations to our Smoothbore team!

Smoothbore medals and Certificates

The scheduled Revolver match was canceled due to lack of interest.

Sunday morning we observed the opening ceremonies, and then began the final competition – the Musket match. The 4th LA was represented by team members Steve Sheldon, Rod Harbin, Jim Wood, and pick-ups Don and Brad. Sadly the 4th LA was not up to snuff for Musket shooting and did not place.

4th LA team members also took away medals in individual competitions.

Upcoming skirmishes:

3rd GA	Brierfield, AL	Aug 23-24, 2014
Fall Nationals	Winchester, VA	October 1-5, 2014
Forest Escort	Eva, TN	November 7-9, 2014
